EDUCATION

Institute of Business Administration - Bachelor of Science in Computer Science - May 2023 Karachi, Pakistan

GPA: 3.09/4.00

Awards & Honors: Global Futures Fellowship Scholarship Award | Featured on Dean's Wall | Academic Excellence

WORK EXPERIENCE

Spursol | ValueLink - Software Engineer Sep 2025 – present

- Built a **Temporal-orchestrated inspection workflow** automating follow-ups across email, SMS, & AI voice calls, using **Azure OpenAI** to rank validated appointments while enforcing tenant-scoped booking & escalation.
- Engineered order & client-integration services on **C#/.NET** for a multi-tenant real-estate platform, supporting 150% half-year revenue growth from \$0.8M → \$2M while cutting storage & execution costs by 25%.
- Modernized & secured the data layer by migrating 65+ repositories from **ADO.NET to Dapper**, fixing **IDOR/RBAC** vulnerabilities, & building a repository-aware AI migration agent with automated security, test, & build gates.
- Re-architected Azure Blob-backed document storage & synchronization to eliminate stale, missing, & duplicate data, cutting database growth 90% (1 GB/day → 100 MB/day) & removing over 45 GB of accumulated data.

Techlogix - Software Engineer Sep 2023 – Aug 2025

- Managed a **Kafka** messaging pipeline, linking client systems with 200+ global banks for transfers, payments & prepaid services, handling \$5M+ in transactions daily, optimizing message brokers for efficient communication.
- Integrated diverse systems using **SOAP** messages & **REST** APIs leveraging expertise in **Karavan, Apache Camel K, XSLT & Groovy** leveraging a generic processing model, reducing failure rates by 70%.
- Orchestrated bidirectional migration of 700 K+ customer profiles & related card & transaction records between legacy & modern systems using event-driven triggers, **SQL** stored procedures, & **YAML** integration pipelines.
- Streamlined the **Azure** development environment by reconfiguring integrations, cutting core & memory 50%.

Hilal Invest - Product Owner May 2022 – Nov 2022

- Led launch of Pakistan's first digital **Islamic investment platform** for 70K+ users, managing deliverables as Scrum Master in **Jira** & driving integration with 7 third-party AMCs via Mural-based process mapping.
- Conducted competitor benchmarking & impression-based analyses in Excel to guide UX decisions, optimizing the platform's user journey & boosting engagement efficiency by 30%.

Commuovere Tours - Cofounder & Head of Sales Oct 2020 – Feb 2022

- Co-founded & led a student-run **travel agency**, generating PKR 8M+ in revenue, across 1200+ clients.

PROJECT EXPERIENCE

Learning Management System FYP - Team Lead | Backend Engineer (MERN, Cloudinary, Vercel)

- Led development of an LMS designed for 10K+ users, engineering the **NoSQL** schema, security controls, & 100+ **REST** APIs supporting 50K+ records.
- Integrated **Cloudinary** file storage & compression, reducing file sizes 40%, & deployed the platform on **Vercel**.

Attendance & Performance Tracking System (MERN, Heroku)

- Designed a **RBAC**-driven attendance platform now used in 10 warehouses, tracking performance, overtime & attendance of 300+ employees in real time including **KPI dashboards** – slashing timesheet errors by 40%.

Indie Games (SDL2 C++ / Flutter Flame) - Solo Dev (SDL2.0, C++)

- Shipped a top-down space shooter & a 3-level platformer; implemented physics, enemy **AI**, **MVC** for easy expansion.

Speaker at Google Endorsed Event - Flutter Festival Karachi

- Delivered a presentation on **responsive design** & advanced widgets, sharing valuable insights with 100+ attendees.

WELFARE AND LEADERSHIP

Mask Banao - Public Relations & Outreach

- Led welfare drives in 33 villages, distributing 120K+ masks, driving a 20M+ impression digital campaign, & boosting fundraising outreach 200% through key partnerships with Careem, Engro & Government bodies.

Grand Citizens NGO - Chief Operating Officer

- Mobilized 250+ volunteers annually to raise PKR 12M+, organizing 50+ ration drives, delivering 10K+ meals, & distributing 2K+ sleeping bags in winter relief efforts.
